To: Potential Concrete Paving/CPR Award Winners  
From: Utah Chapter, ACPA *MM*  
Subject: Utah Chapter, ACPA award submissions  
Date: October 11, 2011

---

The Utah Chapter, ACPA and the Utah Department of Transportation will present paving awards to outstanding concrete paving projects completed in 2011 at the 11<sup>th</sup> Annual Concrete Pavement Workshop at the Little America in Salt Lake City on January 19, 2012. The owner, design engineer, and the paving/cpr contractor will be recognized at the conference with plaques.

However, I need your help. I am enclosing a nomination form for you to fill out to nominate projects that your firm completed in 2011. The concrete paving portion of the project has to be completed prior to submitting your project, but the entire project (landscaping, striping, etc.) does not have to be complete for submittal. There are several projects out there that are award worthy. This is a great way to recognize those outstanding projects and people that contribute day in and day out on a paving project. Local award winners are eligible to be submitted to ACPA to compete for a National award.

Please take the time to fill the enclosed form out completely. (This is the minimum information required.) This will only take a short time, but the benefits of an award-winning project are numerous. **BUT YOU HAVE TO NOMINATE YOUR PROJECT (S) IN ORDER FOR IT TO HAVE A CHANCE!**

If you have any questions please call Mitzi at 801.556.9561. **ALL NOMINATIONS ARE DUE BY DECEMBER 5, 2011.** No exceptions, please! Note the nomination form has been changed and point values are now assigned to each item requested for submittal. Incomplete submittals will not be considered.
